REVIEW DECISION Immediate Roadside Prohibition ("IRP") No. 21-49

Introduction

On October _____ a peace officer served you with a Notice of Driving Prohibition (the "Notice"). You applied to the Superintendent of Motor Vehicles for a review of your driving prohibition and I am delegated the authority to conduct this review.

Section 215.5(1) of the *Motor Vehicle Act* (Act) requires me to confirm your prohibition, along with the corresponding monetary penalty and vehicle impoundment, if I am satisfied that:

- you were a driver within the meaning of section 215.41(1);
- the approved screening device ("ASD") registered a "FAIL" as a result of your blood alcohol concentration ("BAC") being not less than 80 milligrams of alcohol in 100 millilitres of blood ("80 mg%");
- you were advised of your right to request a second analysis;
- if requested, it was provided and performed with a different ASD;
- the Notice was served on the basis of the lower analysis result; and,
- the result of the analysis on the basis of which the Notice was served was reliable.

Section 215.5(4) of the Act requires me to revoke your prohibition, cancel the monetary penalty, and revoke any corresponding vehicle impoundment if I am not satisfied of any of the above.

Preliminary Matters

Records at this office confirm that full disclosure of the documents before me was provided to your lawyer, Dilraj Gosal. I have proceeded with the review based on this confirmation.

Issues

The following are the issues in this review:

- Were you a driver within the meaning of section 215.41(1) of the Act?
- Did the ASD register a "FAIL", and was it as a result of your BAC exceeding 80 mg%?
- Were you advised of your right to a second analysis?
- Was the second analysis provided by the officer and performed using a different ASD?
- Was the Notice served on the basis of the lower analysis result?
- Was the ASD reliable?

Facts, Evidence and Analysis

I find there is one issue that is determinative of my review.

Were you a driver within the meaning of section 215.41(1) of the Act?

The officer's evidence is that on October , at approximately hours, he located you and a passenger asleep in a vehicle, parked in a gravel lot.

Your evidence, which was corroborated by a number of witnesses, is that you were planning on sleeping in the vehicle until morning, when you would be sure that there was no alcohol in your system. The vehicle keys were in your passenger's purse, located in the back seat.

Having carefully considered all of the evidence before me, I find that you
your vehicle.

As such, I am satisfied that you were not a driver within the meaning of section 215.41(1) of the Act.

Decision

As a result of my findings, I revoke your driving prohibition, monetary penalty, and vehicle impoundment, as required by s. 215.5(4) of the Act.

You may resume driving after you have obtained a driver's licence from the Insurance Corporation of British Columbia. If you hold an Enhanced Driver's Licence, you must make an appointment to reapply for that licence.

If you have not already done so, you may go directly to the location where your vehicle is impounded for the immediate release of your vehicle. The Superintendent of Motor Vehicles will pay towing and storage costs up to and including October 25, 2012. You are responsible for any storage costs beyond that date. You should know that if the vehicle is not reclaimed, the impound lot may apply to the Superintendent of Motor Vehicles to dispose of the vehicle.
